

This Winter it's all about being 'Together this Christmas' at Centrestage.

We've launched our 2018 Christmas campaign and this year the theme is centred around being 'Together this Christmas'. At Centrestage our vision of 'building energetic and inclusive communities with the arts at the heart' is realised by bringing people together through our #funfoodfolk methodology; using food and the arts to first bring people of all ages and experiences together, providing the conduit to those furthest outside community to access the support they need; then providing the sense of belonging and purpose that allows people to come together, promoting positive health and wellbeing, connecting the isolated and providing positive, aspirational activities that are accessible to everyone, regardless of background.

We deliver activities throughout Ayrshire to over 2500 beneficiaries and at the heart is our recognised Dignified Food Provision programme, taking 200 tonnes of surplus, high quality food annually and redistributing to communities and individuals experiencing food insecurity, allowing everyone who wishes to participate, regardless of financial status, to take what they need and pay what they can. This Christmas our 'One the Road' team will be out as normal with a festive touch to the food on offer for folks to enjoy this festive season.
