

Centrestage Family and Friends HUB at HMP Kilmarnock.

Centrestage work in partnership with Serco to manage the Family and Friends Hub at HMP Kilmarnock, creating a welcoming and supportive environment for those visiting family and friends - especially for first time visitors who are unsure of prison procedures.

The family and friends Hub provides meaningful support and advice for families affected by imprisonment and offers various Centrestage #funfoodfolk activities throughout the week to make both adults and children feel at ease.

Centrestage

Fun, Food, Folk

The HUB also provides light refreshments including sandwiches, fresh fruit, tea, coffee and juice and the layout has been designed to ensure that children can have access to indoor and outdoor play facilities whilst visiting. There are lockers for personal belongings to be stored during visits and toilet facilities include baby changing and disabled access.

On first visit, you will receive a copy of the Family and Friends Hub Induction Pack that provides an overview of things that are important to know on your visit and Beth Barnes from our Centrestage team will be there to welcome and help you and answer any questions that you may have.

If you would like to speak with Beth prior to a forthcoming visit, please call 07778 158735
