We've made the shortlisted under 'BEST THEATRE IN SCOTLAND 2019!'

Our #oneteam are overjoyed with the news that our incredible customers have nominated us for an award under the 'Best Theatre in Scotland' category at this year's Scottish Hospitality Awards 2019'. The annual celebration takes place on Tuesday 21st May at the Crowne Plaza Hotel, Glasgow. The awards, now in their fourth year recognise the hard-working businesses and individuals within the Scottish Hospitality sector that go above and beyond to give their customers a truly unique service.

Commenting on the nomination Craig Hunter, Operations Manager, Arts and Venue said, "We are incredibly chuffed that our wonderful Centrestage customers have taken the time to share their thoughts and experiences, resulting in this recognition at the Hospitality Awards. In 2018 we delivered over 71 performances within the Centrestage Theatre and we very much look forward to doing more of what our customers enjoy in 2019."

A massive good luck to everyone on the night across all the awards categories. Here's to a night celebrating all things hospitality.
