

'Breath of Fresh Air' at Centrestage.

At Centrestage we love our fresh air, and to keep it that way, we now operate a 'Smoke Free Zone' at all of our sites across Ayrshire. At Centrestage we are committed to providing a safe and healthy environment for everyone, and our policy has been developed to protect all employees, volunteers, participants and customers from exposure to second-hand smoke and to assist compliance with 'The Smoking, Health and Social Care (Scotland) Act 2005' and The 'Prohibition of Smoking in Certain Premises (Scotland) Regulations 2006.'

Smoking/ e-cigarettes is now no longer permitted within four metres of any entry/egress points in all Centrestage premises. For anyone keen to get help to stop smoking, we've collaborated with our friends at 'Quit Your Way' who can help call 0800 84 84 84 and take the next steps.

Please speak with a member of our #oneteam if we can help in any way.
