

'All you need is Centrestage this Autumn.'

'Creative Learning' is at the heart of everything we do at Centrestage and is open to all ages and abilities, we have something for everyone to enjoy from beginners to advanced, toddlers to grannies (and grandads!) Our extensive program includes classes in Musical Theatre, Dance Theatre, Acting, Vocal, Additional Support Needs and Pre-School. No audition is required, and now is the best time to start at the beginning of term. This will be our final Autumn term at James Little St. as this time next year we will have moved to our new home at 'Centrestage Village' – it's going to be incredible!

Head of Creative Learning, Stuart Bird shares his excitement about the new term, "It has been another successful and jam packed Summer Season at Centrestage this year with our fantastic Summer Camps and our Cabarets, but I'm incredibly excited to welcome old and new faces to our new term starting on Monday 19th August. We have so much planned with some exciting productions and remember everyone can get involved."

This term we've introduced 'Baby Ballet', 'Fun at One' and 'Gie it Laldy Choir' and you can browse our new term [guide](#) online that shares all of our classes.

You can also now book online, it's easy to set up, simply follow the instructions within the 'Creative Learning' guide online (click on the word guide to be transferred).

This season #allyouneediscentrestage and we can't wait to have you with us this term.
