

Heart & Soul | Sisters are Doing It for Themselves

In April, we opened the doors to the new look 'Heart & Soul Hub' in Cumnock, allowing a far greater range of activities, supports and services led by the women and girls of the community, to be offered from the newly created open plan space.

Every day, Heart & Soul comes alive with music, cookery, baking, advice, singing,

Our wider partners, including Police Scotland, Columba 1400, Recovery are frequent visitors using our space to provide wider advice across the community.
