

## 'Bringing folks together for the BIG SCOTTISH BREAKFAST.'

On Friday 6<sup>th</sup> September, the Centrestage Café/ Bar took part in the nationwide 'Big Scottish Breakfast' in aid of our friends at the STV Children's Appeal. We joined many others from across Scotland, getting together for a fun breakfast to raise money for Scotland's children.

With breakfast being the most important meal of the day, our menu was packed full, from continental to a tasty Scottish fry-up, we had something for everyone to get set up for the day ahead. It was lovely to welcome so many folks from across our activities and communities on the day and a massive thanks to our wonderful #oneteam who made it all possible, raising a total of £293.55 for the STV Children's Appeal.

Since launching in 2011 the STV Children's Appeal has raised over £19 million, with 1102 grants awarded to projects across all 32 local authority areas in Scotland - providing much needed support to over 79,000 children and young people. The money raised is distributed to provide practical help like food and warm clothes, create opportunities for training and employability, and enable social and emotional support for those who need it most.

Our Food Operations Manager, Gillian Reid said, "It was so special to be part of the 'Big Scottish Breakfast' helping raise funds for the STV Children's Appeal. Our team provided such a great experience for everyone that joined us throughout the morning, bring on the next one!"
