## CENTRESTAGE AT HOME!

This week, we were devastated to have to take the decision to suspend all Centrestage classes and performances in line with the government health recommendations. We continue to monitor all developments relating to Coronavirus and will keep everyone fully informed as events unfold.

We know that for so many of us, our sessions are about so much more than the music so, to help us stay connected, we are launching 'Centrestage at Home', bringing our classes and activities to you virtually, to enjoy via mobile, laptop, tablet or TV. They can even be streamed from Facebook or our YouTube channel.

From Aspire, Musical Generations and Gie It Laldy to Art, Cookery and Music and some extra special surprises, we hope that you'll enjoy having a wee bit of Centrestage at home.

As a charity that relies significantly on the revenue we generate from our classes, activities and performances, we have sincerely appreciated your kindness and understanding as we navigate these challenging times and we thank you sincerely for your messages of support.

Regardless how small, all donations received make a huge difference and can be made through our Centrestage JustGiving page: [www.justgiving.com/centrestagecommunitiesuk](http://www.justgiving.com/centrestagecommunitiesuk)

Please get involved and let us know what you'd like to see taking place on 'Centrestage at Home'.

We can't wait to see you all again.

Look after each other.

*The Centrestage Team.*
