

RESPONSE TO COVID – 19

As a direct result of the Coronavirus pandemic, we are devastated to be unable to deliver many of our core activities including our classes, shows and wider activities. It is our hope that we will be able to bring them back when this situation is over, however it is unclear when that will be and to what level.

Our immediate focus is on ensuring Centrestage will still be there for people as and when they need us after the crisis and, in the meantime, we will continue to offer our support to the community through our work providing services to all who reach out to us.

We would like to thank all of you who have reached out to offer your support at this time and to those of you volunteering to help us as we respond to Covid-19.

Here and now, we commit to doing all that we can to help those in immediate need and we will work relentlessly to ensure that Centrestage is here for all of us when this challenging time is over.

Please look after yourselves and each other.
